Mountain sisters Nepal trekking company is partnering with Mitrata Children's Home to provide a first-in-a-lifetime experience for 10 teens in the Mitrata home. For 7 days in April, the teens will trek in the Kathmandu Valley and up to Ghorepani Poon Hill, learning basic guide skills.

For **\$250,** you can outfit a teen with trekking shoes, jacket, and backpack, as well as cover their food and lodging.

Meet the Teen you sponsor and hear about their trip upon their return.
